

# COVID-19 SAFETY GUIDELINES FOR NIGHTLIFE VENUES

The **International Nightlife Association** has created guidelines with advice and measures for clubbers to avoid and prevent the coronavirus from spreading.

1. Avoid touching your eyes, nose, and mouth.
2. Avoid sharing drinks and hookahs.
3. Cover your mouth when you cough or sneeze with a tissue, then throw the tissue into a closed bin or toilet, and wash your hands immediately.
4. Wash your hands often with soap and water or hand sanitizer with a minimum of 60% alcohol.
